

"Road Safety week celebration from 11th Jan to 17th Jan, 2023"

Delhi Public School, Mohali celebrated 'Road Safety Week' with great zeal and devotion. As it is the need of the hour. The Road Safety week was celebrated under the banner of CBSE and it was from 11th Jan to 17th Jan, 2023.

Various activities were organized in the school campus to mark the occasion.

The activities were:-

1. Workshop for Drivers and Conductors
2. Group Discussion
3. Drawing Competition
4. Group Song Competition
4. Rally
6. Role Play

A rally by the students of class IX highlighted the road safety rules. The students prepared slogans and placards to make every one aware of these rules. They showed great interest in the rally and spread the message required.

Another event organised to mark this occasion was Poster Making Competition. The topic was "The Effects of Violation of Road Safety Rules". The students of class VIII reflected their feelings in the creative essay and expressed themselves to the hilt. It was a good effort to sensitize the coming generation on such a relevant topic.

An informative workshop was also organised by Mohali Traffic Police. The workshop was well attended by the drivers and conductors of the school. The resource person gave valuable instructions regarding traffic rules and emphasised on wearing ISI marked helmets and also the seat belts. The audience came up with their queries and promised to follow the rules.

Besides this Poster Making Competition, Nukkad Natak was also organised. The topic was 'Traffic Jam a nuisance'. In Poster Competition. The students made catchy posters bringing home the point of Road safety. Through the natak, the students depicted that how important it is to follow Road Safety Rules which can save so many innocent lives. The students pledged to follow these rules as they are the torch bearers of the nation. The aim of all these activities was to be concerned about people and their lives and not take it for granted.

The celebration of Road Safety Week in school inspired students to act responsibly on the road and make Indian roads the safest in the world.
